TRANSFER TURRET
No. 229.1

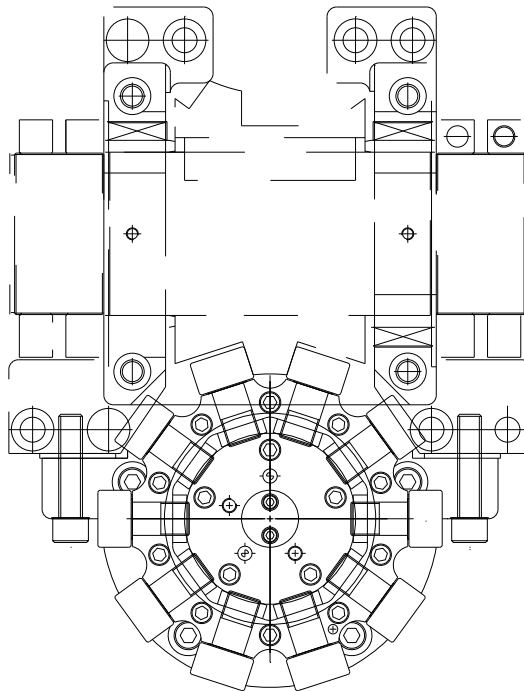

(NEW) LOWER TRANSFER TURRET FOLLOWER PLATE (REF. #507-505)
PMC-1002

Paper Machinery Corporation has developed a new accurate method for replacing and re-pinning the Lower Transfer Turret Follower Plate. This method can be done in the field.

This assembly incorporates larger ($\frac{7}{8}$ ") studs on the Cam Follower which significantly reduces the risk of breakage.

This fully assembled plate can be ordered through PMC customer's service department using part #824-941.

For more information please contact PMC's customer service.

CONTACT

Parts orders and customer communication can be made using telephone, FAX, or e-mail. See below. Contact can also be made using the *main* telephone switchboard at 414-354-8050 or FAX number 414-354-8614. Sending a FAX *directly* to the Service Department, at 414-354-1710, will convey a faster response. If using e-mail and no response is made within 3 working days, please contact via phone or FAX.
